

Machine Type: CNC Routing machine with Flat Table suitable for Nesting

Make: Biesse

Model: Rover G714

Year: 2010

Technical Details:

High speed Precision of Nesting Components

Machine Table size 4300 x 2205 mm , 3 Vacuum Pumps

HSK F63 electrospindles, 12 kW power, .

Large HSD BH40L Boring head with Grooving,

Vertical and Horizontal Drills.

8x position revolving tool changer.

Unloading system with 5000 x 2205mm Offload Conveyor

Simple to use nesting Software

BH40L Machine Head

12KW Router with 8 position tool changer
